About the College ...

Shankar Narayan College of Arts and Commerce which has been established in 1994 with a view to provide Higher and Professional Education in the vicinity of Mira-Bhayandar. The college is permanently affiliated to the University of Mumbai and recognized under Section 2(f) and 12(b) of UGC Act and accredited by NAAC with B+ grade in 2006. The college provides a stimulating, safe and supportive environment, in which students can aim for success.

The college started with 47 students and over the years, College has grown both quantitatively and qualitatively having around 7000 student - strength. Presently college runs B.Com, B.A. degree courses and Professional Courses like Bachelor of Management Studies (BMS), B.Com in Banking and Insurance, B.Com in Accounting and Finance and B.Sc.I.T. and also started B.Sc. Computer Science.

PG Degree Course in Information Technology (M.Sc.I.T.) has also been started which is affiliated to the University of Mumbai and recognized by the Govt. of Maharashtra. In addition the college started specialized Post Graduation Course – MMS (Master in Management Studies) named as Rohidas Patil Institute of Management Studies.

Our institution aims at achieving Quality and excellence. The college makes sincere efforts towards empowerment of students by providing innovative teaching and learning facility.

Within a short span of 15 years, the college has become an instrument in providing access to Higher Education and thereby transforming the social fabric of the area. The comprehensive and value based education has been the benchmark achieved by the entire stakeholders of the institution.

Role of IQAC:

In pursuance of the National Action Plan of NAAC, for performance evaluation, assessment and quality upgradation, college has established an Internal Quality Assurance Cell (IQAC). Since Quality Enhancement is continuous process, the IQAC has become an integral part of our institutional system and works towards realizing a goal of Quality enhancement and sustenance. The IQAC is continuously updating a system for a conscious, consistent and catalytic improvement in the performance of the institution. IQAC is working out continuously to remove deficiency and enhance quality within institution.

Redefined Vision, Goals, Objectives and Mission-

Vision

- ❑ To provide **higher education to weaker and deprived students** of neighboring rural area irrespective of caste, creed and religion.
- ❑ To achieve all round progress in the field of academic, industrial, commercial, social, cultural and political through students community and stakeholders of the institution.
- ❑ **Realizing the concept of “Cluster College” and “Lead College”.**

Goal

Goals for the next 5 years:

- ❑ To provide courses of UG and PG (Commerce, Science, Arts, Information Technology and other Professional and Add on courses) to the students community of suburban areas to keep in pace with societal and industrial requirement.
- ❑ To develop the institution with modern infrastructure.
- ❑ **To get the institution re-accredited with an “A” grade.**

Objective

- ❑ Generating, mobilizing and sharing knowledge to students’ community through teaching, learning, research and communication.
- ❑ Instilling confidence and leadership qualities to build strong students personality and make them responsible citizens.
- ❑ **Meeting global challenges in the field of education.**

Mission

- ❑ To work towards the development of all round personality of students community through curricular, co-curricular and extra curricular activities.
- ❑ To develop entrepreneurship skills among the students community through organizing Workshop, Seminars and Conferences.
- ❑ To provide a comprehensive and value based education to serve neighborhood community and society at large.
- ❑ To develop a spirit of team work and leadership qualities and healthy work-culture.
- ❑ To build good infrastructural and academic structures to promote research, innovative teaching and effective communication.
- ❑ To have transparency and accountability among all the stake holders.
- ❑ To use innovative teaching and cut-edge communication in order to achieve our vision.
- ❑ To use multidisciplinary faculty effectively for enhancing the presentational and communication skills with analytical capabilities.
